

The I-LEAD Charter School provides education for grades 9 through 12 in the City of Reading, PA with 400 learners. Preference in enrollment is given to at risk youth ages 16-21 currently disconnected from school. The I-LEAD Charter School will provide young adults with the opportunity to re-engage in their education and transition successfully into adulthood (higher education and/or employment). Youth will be prepared to be productively engaged citizens in the 21st Century economy as community leaders and entrepreneurs through an educational model that integrates life skills and academic skills.

Position Description: Learning Facilitators (e.g. Teacher) serve as the academic leaders and role models that exemplify life-long learners. Each Learning Facilitator will serve as an ambassador for the principles and philosophy of I-LEAD. Learning Facilitators serve as primary staff members in supporting and encouraging academic excellence and appropriate student behavior at all times for all students enrolled in the school.

Summary:

Responsible for instructing and facilitating meaningful learning of the course competencies and curriculum. Supports all facets of the learning environment as demonstrated by institutionally prescribed curriculum and learning assessments. Through preparation and learner centered instruction, delivers career education that will support graduates in meeting the evolving needs of the marketplace. Fosters a culture of learning that encourages and values mutual responsibility and respect, ethics, life-long learning, diversity, and professional and personal development.
